

## **PACE UNIVERSITY: Coordinated Energy Management Strategy**

**Pace University reduced annual energy usage by 18% by eliminating energy waste through building audits, updating energy management software, improving HVAC scheduling, and implementing lighting upgrades.**

**Reduced greenhouse gas emissions by almost 25% since 2017, and energy usage by a total of 250 million kBTU over the past five years**

**Achieved more than \$7.2 million in operational savings over the past five years**

**Generated \$350,000 in revenue through demand response that funded additional energy use reduction projects**
