

Email to 16 Agencies leadership

From: Secretary Collins
CC: Emily.Hunter@maryland.gov

Date: 12/9/2013

Subject: Agency Energy Reduction Recognition Event – 2/6/2014

Your agency plays a key role in efforts to support Governor O'Malley's EmPOWER Maryland goal of reducing energy consumption by 15 percent by 2015. As you know, DGS' Office of Energy Performance & Conservation tracks energy use through its Statewide Energy Database; and in coordination with StateStat, compares agency energy performance through the 16 Agency Energy Competition.

This year, we would like to recognize the top performing agencies with a special awards presentation. **The Maryland Energy Cup (Competition for Ultimate Performance) legislative event will be held Thursday, February 6, 2014, 11:30 am – 1:30 pm in the Miller Senate Building, West I & II, Annapolis, MD.** Please see the attached Save the Date flyer. For more information, visit: <https://sites.google.com/site/marylandenergycup/>

In addition to the awards presentations, agencies will have the opportunity to showcase their energy reduction efforts by contributing a highlight slide that will be shown during the event. Legislators, staff, agency personnel, and exhibiting vendors are invited.

Please feel free to contact Emily Hunter Soontornsaratool at Emily.Hunter@maryland.gov with any questions. Ms. Hunter Soontornsaratool will follow up with Agency Energy Coordinators with information on slideshow submissions and other details.

We hope that you will mark your calendars for this exciting event.

Sincerely,

Alvin Collins, Secretary

Department of General Services
