

No Door Socks

No Covering Vents

The use of door socks or covering the vents prevents fresh air from entering your apartment. Lack of fresh air causes mold and mildew and attracts pests.

kireystayaasha oo xira daloolka hawada qaada iyo albaabka hoostiisa maryo ku cuba waxee ka hortageysa iney hawo cusub so gasho guriga. Hawo la'aantuna waxey keenta inu dhasho bolol iyo caaro taasna waxey so jiidata cayayan.
