

Green Office Challenge Community Partner Meeting Agenda

The Houston Green Office Challenge has brought together a wonderful group of sponsors, participants and community groups with a common goal: improving the environmental quality of the City of Houston. This meeting is intended to leverage the participation of our Community Partners for the larger success of the program. We will discuss possibilities for co-sponsored events, volunteer opportunities and get your feedback on innovative ways to improve the program.

Introductions (5 minutes)

GOC program description and questions (15 minutes)

Discussion of Schedule and Training Sessions (10 minutes)

Break out into 6 topical groups to discuss additional resources, events and ideas (20 minutes)

Return to large group, discuss ideas, wrap up (10 minutes)
